Strategic Managed Services

Ongoing, fixed-fee expertise that keeps your Clarity, Rally, or Planview platform growing as your organization's needs change.

Is your platform keeping up?

- Are enhancements stuck in design?
- Are new features going unused?
- Are report requests falling behind?
- Need senior expertise, not headcount?

What you receive

- 25% to 100% FTE, fixed monthly fee
- 3-, 6-, or 12-month terms
- Scheduled consultant sessions
- Monthly engagement report

What we cover

Platform growth

- Workflow and security model design
- Integration changes and data cleanup
- Native and BI reports and dashboards
- Performance and data defect resolution

Expertise and enablement

- Functional consulting and release planning
- Upgrade leadership and regression testing
- Tier 3 functional support
- Documentation and end-user training

Which level fits?	Support Managed Services	Strategic Managed Services
Best for	Day-to-day stability and accuracy	Platform changes as needs grow
Timing	Steady state after go-live	Rollouts, expansion, and redesigns
